

Michael K. Peters, DDS, MS, P.C.  
ORTHODONTICS

January 10, 2022

To our valued Patients and Doctors,

It is with great anticipation and excitement that we announce that Dr. John Zang-Bodis will be joining our practice on January 12, 2022. Although you will see some changes over the next 6 months during our practice transition, our overriding focus will continue to be delivering our patients the very best individualized orthodontic care. True to our mission statement, we will remain committed to providing personalized, quality, professional orthodontic treatment in a relaxed and caring manner. I am proud to be associated with Dr. Zang-Bodis as he continues this mission.

Dr. Zang-Bodis earned his dental degree from the University of Michigan followed by completing a General Practice Residency at Loyola University in Chicago, where he met his future wife Dr. Emily Greenberg (who maintains a general dental practice in Okemos). He continued his training at the University of Tennessee, earning his specialty degree in Orthodontics and Dentofacial Orthopedics in 2009. Dr. Zang-Bodis has been practicing in mid-Michigan for the past 10 years and lives in the area with Emily and their two children. Like Dr. Peters, Dr. Zang-Bodis is accredited at the highest level as a Diplomate of The American Board of Orthodontics.

I feel a deep debt of gratitude to you for the support you have given me and for the trust you have placed in our practice over the past 28 years and I look forward to carrying on this standard of care with Dr. Zang-Bodis.

Sincerely,

Dr. Michael K Peters
